## FIRST ORDER OF BUSINESS <br> Roll Call

Mr. Showe called the meeting to order and called the roll.

## SECOND ORDER OF BUSINESS Public Comment Period

There being none, the next item followed.

## THIRD ORDER OF BUSINESS Engineer's Report

Mr. Showe stated Jimmy was unable to make the meeting today. They are finalizing the draft of the bridge report and we will have that at the next meeting.

Approval of the Minutes of the April 21, 2023
Board of Supervisors Meeting
On MOTION by Ms. Cornelius seconded by Mr. Masherella with all in favor the minutes of the April 21, 2023 meeting were approved as presented.

## FIFTH ORDER OF BUSINESS

Consideration of Resolution 2023-23 Approving the Fiscal Year 2024 Budget and Setting a Public Hearing
Mr. Showe stated Resolution 2023-03 approves the proposed Fiscal Year 2024 budget and sets the public hearing for the August meeting in this location and it directs staff to transmit the approved budget to the Orange County and the City of Orlando at least 60 days in advance of your public hearing and to post it on the District's website.

We do have an assessment increase of \$221 for Phases $1-5$ and Randal Walk has about an $\$ 80$ increase.

Mr. Phelps asked what is that increased based on?
Mr. Showe stated we lay out all the expenses and divide that by the number of assessable units.

On the admin side it is about a $2 \%$ increase, there are some contractual increases on the management fee side, some adjustments in line items and the insurance increased. Under contract management side we included increases for landscaping and the repair and maintenance line based on the ceiling and staining the board wanted to add to the budget. We put some projections for utilities. We have staff increases on the amenity management side. The pool maintenance increase includes the new contract we approved. The vendor did agree to a slightly smaller amount.

Mr. Phelps asked whoever prepared it, great job. Under amenity center on page 16, pool attendants we budgeted $\$ 15,600$ our projected is $\$ 8,109$ and the proposed budget is $\$ 15,600$ again.

Ms. Calleja stated we are budgeted for the season.
Mr. Phelps stated the other one is much larger, on page 25 under capital reserve, the shade structure adopted $\$ 115,000$ we spent $\$ 15,685$ and $\$ 75,000$ projected through the next five months. What shade structure because the only one I know is the pool and we paid for that.

Mr. Showe stated I think when we developed this budget last year there was talk about putting a giant shade structure by the splash pad or pool deck I don't believe we are going to spend that $\$ 75,000$ and if that doesn't get spent that line will be zero and that just rolls into your capital.

Over the past several years you have been utilizing your transfer from the general fund to capital reserves to offset an assessment increase and that has gone down and we increased that
back up to $\$ 80,000$, which we think is a little underfunded given the size of the District and your current capital reserve. We have enough in carry forward and cash balances if the Board were to choose today to not increase assessments we could accommodate that. It is not a long-term strategy and you would be pushing off the increase a year. You can use the proposed increase or something in between and you can go higher. When you increase assessments we have to send out a mailed notice to all homeowners.

Ms. Cornelius asked when was the last time we had an increase?
Mr. Showe stated since 2021 it has been level. I would have to go back and check to see when we did have an increase.

Mr. Phelps stated just to be clear this is the line item on our November tax bill that is just for the Community Development District.

Mr. Showe stated correct. It will be this amount plus whatever debt service is applicable. The reserve study projects about $\$ 100,000$ a year and we are a little behind on where we should be. It is up to the Board as to the amount of the assessments.

Mr. Phelps stated an explanation of what improvements we have spent money on and what we expect to spend makes the increase a little more palatable especially when we are seeing runaway inflation.

Ms. Cornelius stated if the increase is about $\$ 18$ per month I think we should put more into the capital reserves.

Mr. Phelps stated we could make it an even $\$ 20$.
Mr. Showe stated that will collect a little more money and roll the difference into the capital reserves. We will revise the budget and distribute that to the Board.

Mr. Phelps stated it may make sense to have an evening meeting for the public hearing.
Mr. Showe stated you can still hold your 9:30 a.m. meeting for regular agenda items and hold a 6:00 p.m. meeting strictly on the budget adoption.

On MOTION by Ms. Cornelius seconded by Mr. Masherella with all in favor Resolution 2023-03 approving the Fiscal Year 2024 budget as amended reflecting an increase of $\$ 240$ per home and setting a public hearing for August 18, 2023 at 6:30 p.m. in the same location was approved.

A copy of the arbitrage rebate calculation report for the series 2015 bonds was included in the agenda package that indicates that there is no amount to be rebated and we are in compliance.

## v. Field Manager's Report

Mr. Wright stated most of the items we have proposals for is set for next month because we are waiting for the rainy season to be here before we go forward with sod installation or things of that nature. The staining of the remaining structures has begun. We had to do a big order for the paint to have that shipped but it will arrive Monday, then we will complete the job. Our primary focus is getting the playground done and I'm meeting with the vendor today and multiple next week and I will get with Sean after the meeting to see if we can get additional vendors.

## vi. Amenity Report

A copy of the April amenity report was included in the agenda package.

## SEVENTH ORDER OF BUSINESS

## Supervisor's Requests

Mr. Phelps stated the neighborhood came together last year for the $4^{\text {th }}$ of July between Billings Street and Warlow Creek. About 450 people aggregate along the side of the lake to do sparklers, and all that and it was a great community event. I think it cut down on people lighting fireworks between their houses. It is going to happen again this year. Knowing it is just going to happen I was going to talk to the folks that do some of the food trucks. I have already put in as a private resident, not a CDD Board member, a request to see if we could close Randal Park from Warlow Creek to Billings Street. I sent a note to Officer to Malave and he sent it to Amy with the City of Orlando to potentially close the street from 7 p.m. to 10 p.m. The detour would be Warlow Creek to Banning to Billing but from a CDD angle if we could have some of our vendors that do snow cones or ice cream trucks by the clubhouse knowing there is going to be a lot of folks.

Ms. Calleja stated the CDD is going to do it on the Saturday before on July $1^{\text {st }}$, they were going to have food and music. I don't think we can get music for the $4^{\text {th }}$ of July because we are too close to the date. We can maybe change the vendor if you want to do that instead.

Mr. Phelps stated I'm open to discussion. I know that is different and more of a daytime thing.

Ms. Calleja stated from 4 p.m. to 6 p.m.
Mr. Phelps stated I'm thinking of $4^{\text {th }}$ of July itself, which is Tuesday, everyone comes to the lake. If we are going to spend dollars, does it make more sense to do it when hundreds of people are here.

Ms. Calleja the food trucks don't cost the District any funds. I can try to get some food trucks at that time.

Mr. Phelps stated I will let you know if I hear back on the road closure.
